### Comments:

Supplement for this season 3/4kg pellets per day, fodder beet in paddock pre mating  
 20 Contracted cows. Has used extremely good bulls for AI  
 These cows have done over 600m/s  
 They are not big framed cows but they are doing the business. Very good condition.  
 Wants cows sold as has purchased property in North Island.  
 Ring Rodger for viewing 0274 730 816
